

Important information regarding tourist cards for México.

Dear marina tenants & guests please be advised of the following for your consideration:

*While visiting México, by law you are required to obtain a tourist card, children included, at the immediate port of entry (if arriving by boat, you can apply for it in Ensenada as part of the clearing customs procedure).

*You need a current passport and to make the payment at the bank, for visitors staying less than 7 days that arrived by car, no fee applies.

*Once you obtain the permit you must carry it with you along with your passport, while in México.

*If tourist card is expired since your last visit, you must re-apply for a new one at the nearest border crossing location, for example: Tijuana, Tecate, Mexicali, etc.

*In the event of an immigration inspection, you must show the officer proof of a current tourist card.

***For further and updated information, contact your consulate.**
